Dear John

Many many thanks for
you very kind donation towards
the above. I am so sorry you
cant come to the Mozart / Cricket
because I anticipate it being a
very amusing day - pray God for
a lovely English Sunny Summers
Day - otherwise? - I hardly
dare even think about it!

I am enclosing our rather handsome
Programme as requested by you, for
your village records. Also thank you
so very much for the fascinating

photocopies of the various items to do
with "that remarkable German boy"
also Herace Mann etc. I like the
bit about his address in Soho, maybe
in those days it was more respectable
perhaps just a bit "racey" ?!!

It is particularly pleasing to note that
the 28th July chosen for our Fund
Raising event - would have been
exactly the week that the Mozart
family stayed in Bourne in 1765!

Many many thanks once again -
please forgive this inadequate scrawl
but I've got so many letters to write.

Kindest regards to Ailsa and
to yourself.

Anne
