Sunday

DEAR Mister Williamson,

I really don't know how to thank you for the very warm reception we had thanks to you in Bridge! This was really a memorable day for my wife and myself not only because of the pilgrimage we were doing but also because of the way the day was organized by yourself.

It would have been very difficult for us to find the plaque in the vault but quite impossible to find Bridge Hall Manor which we visited with the very kind permission of your friend.

All this in such a family type atmosphere and to close with your wonderful lunch in your very nice home. Only one shadow: we did not see much of your wife but of course this was nobody's fault and we will have a better chance next time when we will be visiting Bridge again with our boys.

As Announced I am enclosing a post card of  
our Family Home at LABrière in south-west of France  
near Bordeaux (10 miles south east) - this castle is open  
to the visitors and we are living on the same estate 3 or  
4 yards from there. (of course CHARLES - Louis married in Bridge  
was born and we to leave here.)

As I said earlier I hope to be back with my  
Boys to Bridge in a not too far future, but in  
the meantime if you visit France please do not fail  
to let me know so that we can have the great pleasure  
to meet you again.

Thank you again for everything and please  
share with your dear ones wife all the warmest regards  
of my wife and myself

Paul J. La
