Dear Mr. Williamson

I was very pleased to read the Parish Magazine which Mrs Perry always sends on to me each month. I am sending you a few more items of interest to the History when I wrote of "Extracts from Samuel Bagshaw Directory" I had borrowed this from Mrs Jones of 8 Anchor Cottage, Bakesbourne Rd, Littlebourne also regards to the Tumuli in Gersely Wood was taken from a Warraker Almanac which Mr. P. Woodcock, Sering Rd, Bridge lent me his copy. Old people of the village had said that these Tumuli were tombs of the old Kings of Kent hence the

name of Kingstone also there  
a road or lane called  
Kingsley Rd. this leads from  
Hint Cottages, over the Bults, into  
Corseley Wood near where the  
Tumuli are marked on the  
Ordinance Map of Kent; ~~to~~  
wish you every success,  
here we are in the midst  
of History, we have a  
resident Mr. Jelley who  
is unearthing lots of  
records of Nether Stoney,  
getting great help from old  
records at Taunton, I have  
been one of the new members  
& have enjoyed this very much  
& am afraid my eyesight  
is getting very bad. so hence  
the scribble, best wishes to  
you, wife & family Yours Sincerely  
& Friends
