Dear Canon Perry,

Will you please add at the end of the first paragraph of the material I gave you on Mrs. Edward Gregory, the following — "She married the Rev. Edward Gregory, Curate of Lower Handres, in 1821, the marriage settlement being dated 30th October in that year."

When are we going to see your history? I would have thought that now, when you need money for more restoration, was a good time to issue it at some charge and place the proceeds towards the works.

I may be able to send you a photo of West House, Conynton, the residence, and probably the birth place, of Mrs. Gregory for reproduction in your book. It still exists.

Yours sincerely,

Philip H. Blake

The Rev. Canon Perry,  
 Barham
