Dear Sir,

Your letter of 13th October, has been forwarded to us by Mr. Cobb of our Canterbury Office. Unfortunately the only document that we have is a copy of a Rock Life policy and we attach a photo-stat which we hope will be of some use to you.

We have contacted the Manuscripts Department at the Guildhall Library in London but they do not have any documents relating to this Company. Possibly the Kent Record Office will be able to help you.

Yours truly,

Secretarial Officer
