Dear Mr Williamson,  
My most grateful  
thanks to you for laying  
me - at no notice - such  
a welcome for the  
de Myntesquiers. It  
was more than kind  
of you to go to  
so much trouble,  
having the Church  
opened, arranging  
for the visit to  
Bunter Hall house

I am really for providing  
us with an excellent  
lunch.

The whole day  
was most enjoyable  
and our guests  
were absolutely  
delighted.

With renewed  
thanks to you &  
your wife who must  
have put in a  
great lot of extra  
work preparing the  
lunch. Very sincerely  
Yours truly  
Frankley
