KENT. ENGLAND.

Dear Mr. Williamson,

Thank you for your letter of 8th June which has been chasing me round the world also, and also for the copy of your article. I collected material on Sir George up till the time of my departure (24/4) but have since gone on to other projects. When I shall resume I can't say but I suspect it will be some years. Ultimately I hope to bring out a book on him but it is a big job.

Sincerely yours,

*Kelvin Grose*
