Dear Mr Willinson,

I am sorry if I have mis-read
the spelling of your name.

I enclose zerox copies of the
pages from vol XXXV of our publications which
are mentioned by Paul Hulton, together with
a copy of our prospectus which gives details
of volumes.

Also, the address you require
is Österreichische Nationalbibliothek,
Wien I
Josefsplatz 1
Austria.

I ask if you will send 58 pence
in stamps to cover postage and zerox copies.

Yours sincerely
Reg Williams
