Dear Mr Williamson

Please accept my apologies for the delay in writing to you about the Deeds that you dropped off in my office in October. Benjamin Mowl1 has been through them carefully and has prepared a Schedule which I am now enclosing. Many of the deeds are Leases and therefore do not make fascinating reading. Of all the Deeds it is perhaps the Wills which are the most interesting. The Schedule runs through the deeds chronologically but does not set out each and every deed enclosed but should give you a general gist.

Once again I am sorry it took so long to get the schedule out to you.

With my kind regards.

Yours sincerely
