Dear Mr Williamson

MRS GREGORY OF CONGLETON

I am afraid we do not hold any records concerning Congleton mills. However, the East Cheshire Mill Survey may have some information through the reseaches carried out by this project. The RCHME will be publishing a book, a culmination of this research at the end of March. In the meantime, Tony Calladine, now with the RCHME, may have information relevant to your enquiry.

He can be contacted at: RCHME
