Dear Mr Day.

Mr Williamson has passed your letter of enquiry to me. I was Head Teacher of Bridge School from Jan: 1948 - July 1973. The school moved from the old Victorian building in Patricuxbourne Rd to the new building in Conygham Lane in 1971. There was an old log book dating back to 1870, in the school when I was in charge and later log books will still be in the school. O.I. Knight
