Dear Mr. Williamson,

Some time ago you kindly assisted
me with my research into the Braems family.

I obtained the necessary permission
to reproduce the illustrations from the Royal Historical
Society, together with quotations from the text of
Schellink's 'Travels.'

You may have already seen my recent
article on the subject, but in case you haven't I
enclose a copy for you herewith.

With many thanks for your help,
duly acknowledged of course.

Yours sincerely,

(Peter G. Elgar)
