Dear Mr Williamson

Thank you for your recent letter concerning details of German airmen who were buried in this country.

Unfortunately, the Museum does not hold this information. I suggest you contact the **Volksbund Deutsche Kriegsgräberfürsorge e.V, B G St Werner-Hilpert-Strasse 2, 314117 Kassel, Germany**. This is the German equivalent of the Commonwealth War Graves Commission.

I can also provide you with the telephone number of the German Military Cemetery at Cannock Chase, as some of the information you require might be obtainable from their records: 01785 712644.

Yours sincerely
