Dear Mr Williamson

Thank you for your letter of
13th August.

As you can guess from our title, the
Society is mainly interested in the history
of the breweries of the UK rather than in
the pubs they owned. As a result we
have little in our archives that is
relevant to your search.

However, all is not negative. We have
a large membership who have much
wider interests than the objectives of
the BHS. I will arrange for your

letter to be placed in our Newsletter which asks members for more information on a variety of Beer & Brewery related topics. Who knows, some one may know some thing.

One point which will help you search. When asking for information from small voluntary societies such as ours, or when corresponding with individuals, finances are helped with the use of an SAE.

Yours sincerely

KEN SMITH
