Dear John,

Just a short note to congratulate you and your committee for the excellent exhibition of Bridge through the ages. It was particularly interesting to follow the history of well known local families. Also you must have been delighted with the enthusiastic response from residents and former residents.

It was a great idea and I hope it will be possible to give the exhibition some permanence by producing a book although Mervyn hinted that it would cost more than a Jeffrey Archer bestseller!

Best wishes

Yours

David (PENTIN)
