17th July 2000.

Dear Mr. Ravaty,

Thank you so much for replying to my letter addressed to Mr. Williamson. I was sorry to read of his death.

I received your letter on my return to Barbados after more than 2 months away. In the event I never travelled to Kent but stayed in Dorset. Your letter is full of good information for my Jarvis research and I thank you for taking the time to reply in so much detail. May I ask that you keep my address and kindly let me know if and when a book is published on Bridge's local history? Thank you.

Sincerely

Mary Gleadall

P.S. If I can research anything for you in the Caribbean please do let me know.
