

Kent Cricket Matches,

1719-1880.

EDITED BY

THE RIGHT HON. LORD HARRIS,

G.C.S.I., G.C.I.E.,

AND

F. S. ASHLEY-COOPER.

“ Kent is fertile in pheasants, cherries, hops, yeomen,
codlings and cricketers.”—*Poor Gentleman*, iv.—i.,
by G. Colman, the younger.

“ If the County's motto, ‘ Invicta, ’ be one no team can hope always to
bear unchallenged as regards results, it can be borne—and long may Kent bear
it!—unchallengeable as regards devotion to the game and loyalty to its best
traditions.” *E. B. V. Christian*

Kent won by 7 runs.

Bates was run out in a curious manner. A ball from Bray had gone, to all appearances, to the boundary for 4 byes, and both batsmen stopped running in consequence. The ball was, however, returned from very close to the Pavilion and the wicket put down. It was certainly an unfortunate occurrence.

Played at Town Malling, July 31st and August 1st, 1879.

Mr. A. Penn and Lord Harris bowled 1 wide each.

Umpires: W. Goodhew and C. F. Daft.

Nottinghamshire won by an innings and 180 runs.

Oscroft and Selby, whilst in together, took the score from 66 to 258. The former's 140 was the highest score he ever made for Notts. His policy, which caused much comment, in putting Barnes, instead of Shaw, on to bowl in the second innings proved most successful.

The Hon. Ivo Bligh played in this match as Mr. J. Brown.

Played at Town Malling, August 22nd and 23rd, 1878.

Kent won by one wicket.

When Henty went in, last man, and joined Lord Harris, 27 runs were wanted to win, and that number the pair obtained amid much excitement and enthusiasm.

In Kent's second innings H. Phillips, whilst keeping wicket, had his nose broken by a ball bowled by Mr. Brown.

In the final stage of the game Mr. Absolom was splendidly caught at long-on by Humphreys, who fell over some canvas with the ball, but both umpires agreed that the catch had been made over the boundary.

for the fourth wicket with Mr. Howell and 227 for the fifth with Mr. Crutchley. The first 100 runs were made by the side in forty-five minutes, and at the end of the second day "W.G." had scored 133 of 217 for four wickets in one hundred and ten minutes. During his innings Mr. Yardley bowled both right-hand and left-hand. "W.G.'s" 344 was a new record for first class cricket, surpassing Mr. W. Ward's 278 for M.C.C. v. Norfolk at Lord's in 1820, and he followed it with 177 v. Notts at Clifton, and 318 not out v. Yorkshire at Cheltenham. This year he also made 400 not out for U.S.E.E. v. XXII. of Grimsby.

Played at Faversham, August 17th, 18th and 19th, 1876.

CRICKET.

THE CANTERBURY WEEK.

ELEVEN OF ENGLAND V. THIRTEEN OF KENT.

Yesterday the 40th Canterbury Week was commenced at the St. Lawrence Ground. Owing to the absence of Lord Harris and Mr. Frank Penn, the county team, none too strong at any time this season, was not so good as could have been wished, and as the Eleven chosen to meet them was powerful both in batting and bowling, the prospects of Kent were not bright at the outset. The opening days of the match are to be devoted to the benefit of Henty. But for Sunday's rain the wickets would have been very fast, but the showers affected them, and yesterday as they dried again they became difficult and favoured the bowlers. Before the game had been long in progress the ball bumped very much, and several of the batsmen—notably Mr. Patterson, one of the best of the side (who had to leave the wicket)—received awkward blows. After luncheon the wicket improved fast, and run-getting was made much more easy work as the ground dried. By the time that England began their innings there was little fault to find with the pitch, and the judgment of Mr. Walker in letting his opponents bat first was fully justified. The attendance was very good, more than the usual number of spectators being present. At a little after half-past 12 o'clock, Kent sent in the Hon. Ivo Bligh and Mr. Mackinnon, who were opposed to the bowling of the Nott's professionals, Morley and Barnes. When 19 runs had been made, Morley bowled the Hon. Ivo Bligh, who retired with 10 runs to his credit. Mr. Renny-Tailyour had hardly taken his place before Mr. Tylecote was given out leg before to Morley. Another wicket soon followed, as, O'Shaughnessy having come in, Mr. Renny-Tailyour was caught and bowled by Morley, the second, third, and fourth wickets fell at the same total, 19. Mr. A. Penn joined O'Shaughnessy, and cut Morley for three; but at 22 the professional was bowled by Morley. Messrs. Patterson and A. Penn were at once separated, as the latter was bowled by Barnes, his wicket falling also at 22. With six wickets down, Mr. Foord-Kelcey joined Mr. Patterson, At 2 o'clock the total was 54 for seven wickets. At 75, Hearne, who had just hit Morley to square leg for four, was bowled by the left-hander for a very useful 16.

This was the first match ever played by Kent at Catford Bridge. The ground was looked after by "Old" George Hearne.

This year an attempt was made to arrange matches with Surrey and Notts, but those counties declined, considering Kent to be too weak at the time.

Played at Catford, June 17th and 18th, 1875.

FOREWORD.

For over fifty years the Kent County C.C. has published annually, with other matter, the full scores of its matches, and, therefore, by issuing the present volume, it can claim to have printed particulars of every game known to have been played by the County since the earliest times. That in itself is, we consider, an event worth emphasising: in any case, it marks the completion of an undertaking which has been accomplished by no other leading cricket organisation.

Another circumstance which may be mentioned in justification of the publication of this volume is that it seemed well that the record of Kent's earlier doings, so far as particulars are known to have survived, should be collected for the sake of easy reference. Kent, after all, is one of the, if not the oldest of cricketing counties, and its history, covering a period of over two hundred years, extends from the time when the game was in quite its infancy—and, if the truth must be told, was of not altogether good repute—through all eras of progress to the time when it had developed into a world-wide institution acknowledged to represent all that is best and most wholesome in sport. In effecting such changes and improvements Kent has played her part, and if, as mentioned in the chronicle which follows, the County in the long ago took part in disputes and lawsuits, heavy wagering and other regrettable incidents, the old saying *Autres temps, autres moeurs* must be remembered.

So far as the information furnished is concerned, it is claimed that, besides its value for ready reference, it contains much not to be found elsewhere. *Scores and Biographies*, the *magnum opus* on the game, says nothing of dozens of matches mentioned here, and the same remark applies to the books of scores issued by Britcher, Epps and Bentley. Copies of the volumes mentioned are in the possession of very few, but they have all been consulted, as well as all newspapers possible, in order to contribute to the completeness of the appended chronicle. It is certain that details of many games have been lost beyond recovery, but we are not without hope that particulars of some may yet be unearthed from muniment rooms and similar sources. That particulars of any such discoveries would be welcome goes without saying, for nothing respecting the early history of the County's cricket could, as least so far as Kentish Men and Men of Kent are concerned, fail to be of the greatest interest.

HARRIS, on behalf of the Committee of
the K.C.C.C.

The matter contained herein has been searched for, collected and copied, at great expense of time and trouble, by Mr. Ashley-Cooper, and the Committee of K.C.C.C. welcome the opportunity of giving to the cricket world the result of his labours for which it must be most grateful.—H.
