

8/9/2000

Dick & Barbara Beinder - He has several cartoons + sketches that he did concerning the celebrations over the by-pass (humorous)

He also designed the wrought iron clock mounting in the village hall for the Queens Jubilee + the blacksmith in Littlebourne made it, he says

Pelican crossing was put in ^{between} by butchers (Wakerham + Paper Shop)
- 8 second crossing - taken ~~at~~ away because it was claimed not enough people used it!

Dentist used to be a wool shop

Repair shop next to bus shelter - notorious for length of time to repair (2 1/2 year for a TV - Denis Williams electrician)

The terrace 1819 - register of owners date. Were they built for pilots (Dover -> Whitstable) and they were built by Trinity House
This saved 4 days sailing - Bridge is 'halfway' between Dover + Whitstable. 2 people had told them - Mr Prickett was one source

Pat Harding - 01293 813573. Chads TN25

Bridge NO3 receiving house in first Royal Mail circuit - White Horse
(He is doing research into P. offices. Maurice Ravaty knows)
