Dear Ann,

Some years ago you were good
enough to give us a photostat copy
from the Australian Dictionary of Biography
of Sir George Gipps the Governor of New
South Wales in 1842; I am anxious to obtain
not in vol. upto 1850. for the same book some information about
Vol covering '0' after the OXLEY brothers Thomas and Henry one
1850 not in Ref. Room. of whom was Surveyor-General on the N.S.W.
Do not think published yet Legislative Council 10 years before Gipps.

Also from your museum records I wonder if
you have any information about:

a. The Byron Society. There was an unknown
person who wrote a letter to 'Country Life' in October
1975 stating the poet's daughter Annette
Hilborne spent part of her honeymoon at
"Biponsa Nr. Gentsburg". I cannot see the
address listed in the London Telephone Book
but they had a soirée yesterday at the
Royal Academy so they must be quite a flourishing
body.

b. The Lungenor Society. I would like to do
some research on the Lungenor names in the village
like SICARD but cannot find their office.

Many grateful thanks

Y

John Hillierson.
