Our thoughts on Food...

Here at the White Horse Inn at Bridge we strive to marry fresh, local produce with a quality dining experience whatever your requirements are. We take time to ensure that everything that leaves the kitchen is prepared in house. Following the seasons in this way can be seen as restricting the ingredients a kitchen has to use, and therefore our customers have to eat.

However, waiting for the first Asparagus, Scallop, Lobster, Spring Lamb or any number of wonderful ingredients Kent produces is for some more rewarding than the choice given to us by transporting foods to our kitchens from all over the world.

Keeping to the seasons also shows us how wonderfully the land and sea produce flavours and textures which complement each other so naturally, keeping us on our toes but writing our menus for us.

This is not to say that we do not agree with taking advantage of exotic foods from around the world. Some of these products are simply better than or not produced here in Kent. We do feel, however, that using produce available near to our doorsteps and capitalizing on the freshness of this produce offers our customers a unique experience.

Enjoy these foods when they are at their very best, just as we enjoy and benefit from working with them.

The Bar at the White Horse

Our bar offers a changing blackboard menu featuring Soups, Salads, Baguettes, Starters, Main Courses and Desserts. Recently, we have introduced a children's menu, and although keeping to our normal ideals, try to produce food to suit younger tastebuds. We have up to 12 wines available by the glass. 4 Real Ales and Coffee are always available. Although we welcome bookings, feel free to arrive at your leisure. We have received commendations for our Bar food from the BBC Good Food Guide Online, and Les Routiers.

The Restaurant at the White Horse

Our popular Restaurant is used for Business and Pleasure, and has a growing reputation for high quality service and food. All food is cooked to order, and your meal is balanced and enhanced by Home Made Canapes, Bread, Granite and Petit Fours. We have so far received **One AA Rosette and 4/10 and Kent Newcomer of the year in the Good Food Guide, as well as most promising young chef for 2004 in Les Routiers** for our Restaurant Food. Our Fixed Price Menu is always available and Supplements a Restaurant menu from which our guests can choose from a selection of Starters, Main Courses, Desserts as well as a menu of English Cheeses.

£12.95 3 Course Set Lunch,

available Tuesday lunchtime to Saturday Lunchtime. Perfect for entertaining friends or colleagues at a reasonable rate. The menus will change on a daily basis, offering seasonal, local produce, and suitable wines will be suggested by the glass to complement each of these dishes.

Booking is advisable.

Wines at the White Horse

We now have a growing wine cellar of around 100 wines, including sparkling, 1/2 bottles, white, red, rose' and dessert wines from around the world including Kent and England, an area in which we have growing confidence and are, in particular, developing.

We have a growing selection of fine wines, to offer our guests something really special and unusual to complement their meals
