Dear Miss Savours,

Thank you for your letter of 23 February concerning the impending closure of the old people's home at the Close in Bridge. Your information was especially valuable as the office was unaware of its closure or the survival of any records there. I thought you would like to know that I shall be writing to the Matron to establish what records are there and whether it is intended to transfer them to the new home.

Yours sincerely,

Charlotte A. Hodkin
