St Lawrence and Highland Court Cricket Club registered for this national programme that helps cricket clubs prepare for the forthcoming season.

Over fifty adult and junior members volunteered their services during the weekend to complete a wide variety of projects at the ground.

The club was well supported by several local businesses, including Laurie Wakeham, Bridge's outstanding butchers who supplied bacon and sausages, which kept the hardworking cricketers fed during the day.

GET INVOLVED IN THE CLUB

Our club is run by volunteers. Even for those who don't want to play the game, there are almost limitless opportunities to get involved within club.

BAR MANAGER NEEDED

We need a club bar manager for the club.

Approximate time commitment is 8 hours during the evening & weekends in the cricket season.

No previous bar experience is necessary. We will be able to offer training on how to order stock, manage the bar, follow health & safety procedures and serve.

If you are reliable person, and like meeting people, please get in touch with us.

CRICKET SCORER NEEDED

Are you interested in the game but do not wish to play? How about scoring for any of our senior men's Saturday teams? It would be about 8 hours a week, including travelling time, AND YOU WOULD GET PAID FOR DOING IT!

You would need to be a reliable person, reasonable at maths and be able to concentrate.

We can provide transport and we can also pay for you to go on a training course.

CRICKET UMPIRES NEEDED

Another way to get really close to the cricket action is to officiate the game. We need umpires to take charge of senior and junior matches.

We are looking for people of all ages who are reliable, assertive and have a basic understanding of the laws of the game. Depending on which type of game you officiate, the hours per week range from 4-8 hours.

We can also support you by paying for you to go on a training course.

If you are interested in any of these volunteering roles, or for more information about the cricket club, contact:
