## BRIDGE NEIGHBOURHOOD WATCH SCHEME

Following a recent public meeting I am pleased to announce the formation of a Neighbourhood Watch Scheme in Bridge village.

We must thank the Police force for their invaluable assistance in setting up the scheme and for their continued active support. They confirm that wherever such a scheme is in operation the crime rate decreases significantly.

A number of Insurance companies will reduce premiums where schemes such as this are in operation.

Objects The objectives of the scheme are:-

- (a) To reduce the chances of burglaries and other crimes in our community by being aware of what is going on around us.
- (b) To report to the police suspicious circumstances.
- (c) To receive advanced knowledge of criminal activities in the surrounding area.
- (d) To disseminate information to help protect yourself and your home.
- (e) To loan invisible marking kits on request.
- (f) To arrange cycle marking sessions.
- (g) To obtain reduced Insurance premiums from certain Insurance companies.
- (h) To keep a "Friendly eye" on each other in case of any sort of trouble or emergency.

Method The objects are achieved by means of information being passed in both directions from Police HQ to the Village Co-ordinator then to the Area Co-ordinators and so to the Link members who will contact every household in the village.

Signs will be erected at all roads into the village publicizing the scheme.

Stickers will be displayed in house and shop windows throughout the area.

Everyone is asked to co-operate by reporting anything unusual or suspicious in one of the following ways:-

- (a) To your Link member.
- (b) To your Area Co-ordinator.
- (c) To your local Police Officers Sgt. R. Mortley or PC . B. Goodwin via Canterbury Police Station (Tel. 455444),
- (d) or if it is considered URGENT DIAL 999.

(NOTE MOTOP VEHICLE OR MOTOR CYCLE REGISTRATION NUMBERS ARE VERY HELPFUL).

Organisation The volunteers shown on the attached list have taken up the jobs shown, but more Link members are required.

- What To Do
- (a) Get in touch with one of the volunteers named and offer to keep your neighbours informed of developments. (The involvement is essential but very minimal).
  - (b) Keep a note of anything unusual or suspicious and report it to your Link member or Area Co-ordinator, (your information will be transmitted back to the police).  
(DO NOT FORGET MOTOR VEHICLE OR MOTOR CYCLE REGISTRATION NUMBERS).
  - (c) Inform your neighbour, Area Co-ordinator, or Link member if you are going away, or anything unusual is to happen at your address (eg reglazing or building).
  - (d) If you have a shop, business or public house and you can sponsor one of these circulars covering every household in Bridge, contact your Area Co-ordinator or myself.

Finally, remember this scheme can reduce criminal activity in Bridge if we all act together. It would certainly be helped if we all display window stickers for the would be criminals to see.

Sidney H. R. Roe  
Co-ordinator

If you move away, kindly leave these papers for the incoming resident.
