the occasion**

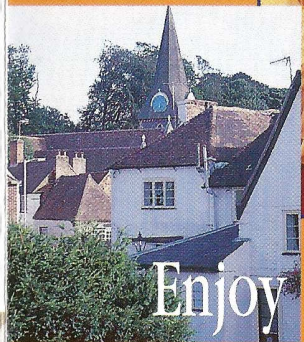

A totally unique experience

...a world of fine food & wine

We at Skippers are extremely proud of our reputation for delicious food, exciting wines from around the world, excellent service and relaxed ambience.

Our chefs use only the finest fresh raw ingredients to prepare a delicious four course meal for you to enjoy in style. They take a genuine pride in creating traditional dishes with just a twist of the exotic.

Enjoy for longer...

Our two stylish en-suite bedrooms clearly display identities of their own and are offered at a discounted rate for those dining in the restaurant. If you choose to stay the area has much to offer. The village of Bridge is set in beautiful countryside with many local walks and places of interest. It is only five minutes from historic Canterbury with its Cathedral, visitor attractions and excellent shopping facilities.

Celebrate at Skippers and you are assured of a warm welcome from experienced staff who work hard to ensure that you have an evening to remember.

Dining at Skippers is a unique experience to be savoured. A four course dinner is served at 8pm, Sunday lunch at 1pm, both starting with a selection from the Hors d' Oeuvres table. This is followed by a delicious homemade soup, after which our chefs show you the main courses on offer before you make your choice. We are famed for our puddings, so save room as seconds are usually available. You can linger over coffee and liqueurs as the table is yours for the whole evening.

We can seat over 100 diners, with our main dining room seating up to 60. Private dining areas are available for parties of 14, 16 or 22 to 26.
