Dear Gretchen & Alva, I have been lucky today, have received four letters, and your cable today. Thanks also for Airgraph dated 17th August also received. Love more I have to make excuses, but that is how it is in this man's army. I was unable to get off anything for your birthday, not even a card, and believe me, when I say Gretchen, I had no choice, could not under the circumstances at that time do anything. I honestly was thinking of you, and I believe you will agree with me I have never let you down before. So Alva has given it as giving you a bulldog. Hat makes me don't it? Good what a family. I certainly shall be sure of my Kennelmen's job when we get this ghastly business over here. Janet a big kiss for me. Keep smiling I am very fit. Hoping that maybe we shall all together very soon now.

All my love Dick

Dear Gretchen & Alva,

Many thanks for your letter, received. Please forgive me for not sending you a cable on your anniversary. I assure you I have not forgotten it, but circumstances over which I have no control did not permit of me being able to get one away to you. So glad to hear you received the photograph also that you liked it, and Alva there is no shortage of soap out here either, my wife anyway thinks it makes me look more like her husband than her son, so they at any rate approve. I am keeping very fit, but the heat and flies, are the last word, wish I could be in England, even if it was pouring with rain. Boats are moving pretty fast now, and who knows maybe we shall have that Vmas dinner together yet. Always hoping anyway, give Janet a big kiss for me. God bless you all, My chin is well up.

Love Dick

Dear Gretchen & Alva,

Delighted to receive your letter, and to know you have Michael with you for a few days. Thank you, I know he will get the best of everything, and it will make a lovely change for him, and be good company for Janet. Alva tells me that Janet is a head and shoulders taller than Michael, I bet I shall see the difference in them both. Glad to hear you have sold Betty, hope you get another bitch, also that you get some heat, when you show them in the kennel yard. I am keeping very well. Am praying this is really the last time I shall spend in the army. Have a happy day, I shall be with you in thought. Tell Alva to start saving his copper as I shall be ready for a good game of bridge when we meet. My love to Janet and a big kiss. God bless you both.

CHIN'S. UP. Your loving Brother Dick.
