Dear Mr Hill

Thank you for your telephone enquiry of 25 August.

I forwarded your order for the following two prints of Bridge to our photographic department on 25 August:

AA52/11223 Bridge Farm
AA46/4909 The Bridge, Bridge

I enclose photocopies of the remaining photographs of Bridge, as mentioned in my letter of 22 July. I have given the reference numbers for Mr Gravett's negatives of Dover Road, should you wish to contact him regarding copy prints, but remind you of his reluctance to provide them.

As indicated in my previous letter, we do not hold the negatives for the prints marked "Amos and Amos". I notice an old address for them on the back of the postcards: 12 Snargate Street, Dover, Kent - but it is unlikely that this is their current address.

I have indicated the photographers of the Bridge Place prints as they retain copyright of their work. Their addresses are as follows:

Malcolm Pinhorn
Norman's Place
Newbridge
Yarmouth
Isle of Wight
PO41 0TY

Peter Reid
32 La Providence
Rochester
Kent
ME1 1NB

If I can be of further assistance please do not hesitate to contact me at the address below or on 0793 414729.

Yours sincerely
