

Glenda Woodger

Dear Ailsa & John

A very splendid gathering
of verities, millions & friends.

Most enjoyable to see Mary & John
hear news of old acquaintances.
Its strange how small the world is
and how interwoven contacts become.

It was a truly lovely day
and a delight to see so many
good friends.

After the lovely settings in which
we have recently enjoyed such
enjoyed gatherings - St Albans or
St Augustine's I fear we shall have
to revert to Becharburne Village
Hall for beer & skittles next!

Best wishes for the next 25 years.

Love from
Sue & David
