Dear Mr Gulvin

**ARCHITECTURAL RECORDS FOR THE CIVIL PARISH OF BRIDGE**

Thank you for your enquiry to the National Monuments Record (NMR).

Further to the reply already sent to you by my colleagues in our Air Photographs Section, I am happy to be able to supply you with details of architectural records held by the NMR.

Please find enclosed printout from our computer database which gives details of buildings in Bridge for which we hold files of material in our Archive ("NMRB Buildings Files: County Index"). We hold a very small collection of black & white photographic records for the parish most of which are not our copyright, we simply hold prints for reference purposes. Also enclosed is a concise list of the Listed Buildings in the parish. We also hold the full list descriptions as published by the former DOE/DNH.

We will be happy to supply photocopies of any archive file, photograph or Listed Building description together with an invoice for the cost. Alternatively, you would be very welcome to visit the NMR Centre in Swindon and view the material yourself. If you also intend to view any of our aerial photographs, we can arrange to have architectural records ready for you at the same time.

Please do not hesitate to contact the NMR if you have any further queries.

Yours sincerely
