

Bridge F.C.—

50 years ago

THIS week we again play the memory game with this picture of the 1922 Bridge United football team.

The picture was sent to me by Mr. Harry Wonfor, of Forge House, Chilham, who at one time played for Bridge.

I wonder how many of you can identify members of the team? Mr. Wonfor thinks his cousin is among them and tells me that Bridge was fairly football crazy in those bygone days when matches were played on West Park.

Mr. Wonfor's own memories were stirred last week with my picture of the old 2nd Canterbury Scout Band parading through the city streets in 1918. Mr. Wonfor recognised himself as a mere 16-year-old standing on the kerb watching the band pass by.
