

The Pleasant Hour Club for over 60 held its first Christmas party in the Village Hall last Thursday.

Bridge British Legion Party

Over 80 under 14s attended the party given for the children of the village by the Bridge British Legion last Saturday. After tea, the children enjoyed a film show featuring "King Solomon's Mines," and presented by the Canterbury Toc H, and each had a present to take home.

The party was arranged by the British Legion entertainments committee under their chairman (Mr. S. Wright), who is also secretary of the branch, and Mrs. F. Apps (entertainment secretary). Mrs. Apps was assisted with the catering by Mesdames H. DeCent, S. Wright and W. E. Cherry.

Bridge children were entertained on Saturday to a New Year Year party by the British Legion, at the Village Hall.
