Dryer gift for hospital

A party of 16 members of the Bridge Young Wives' Group made a return visit to Highland Court Hospital on Tuesday to present a tumbler dryer given by the group for the use of the hospital.

They were welcomed by Mr J. Jackson, secretary of the Canterbury Group Hospital Management Committee, Miss B. E. Armitage, principal group nursing officer, and Mr W. McGuinness, nursing officer in charge at Highland Court.

In handing over the gift, the group secretary, Mrs P. Anderson, said: "This has been made possible by the efforts of our members and the generosity of their sponsors in our recent knitting marathon and is a mark of appreciation and admiration for the wonderful work carried out by the hospital staff."

Mr McGuinness, who accepted the gift on behalf of the hospital, thanked all who had contributed.

Mrs K. Pierce, leader of the Young Wives' Group, presented to a resident patient a blanket made from the knitted squares for use in his wheel chair and thanked Mr McGuinness and his staff for the buffet refreshments.
