This year, along with other churches in the Benefice, we have chosen Canterbury Food Bank as our Christmas charity. Gifts of Christmas Food, including biscuits, sweets and essential foods may be brought to the Crib Service for distribution in time for Christmas. Nailbourne Horticultural Society

Firstly a reminder of our annual pre-Christmas social event on **Tuesday 2 December**, 7.30 pm in Bridge Village Hall, when we look forward to being entertained with "**A Garden Surprise**" in Phantasmagoria tradition with pictures and music, followed by a **light festive supper**. And, of course, no successful evening is complete without a **Christmas raffle**! There will be a small charge of £5 per person to include refreshments and as always at our events, non-members are most welcome.

Moving on to next year, our **AGM** will be on **Tuesday 27 January**, again at 7.30 pm in Bridge Village Hall. We are always on the look-out for new committee members and, what is more, are in great need of a new secretary. If you are interested in becoming more involved in this long-established village society, please contact Kathy Walder, Show Secretary, on 830057 or any other committee member. Subscriptions are due for renewal at this meeting and remain good value at £5 for single and £8 for joint/family membership. The 2015 programme is now complete with, hopefully, something to interest everyone - a Spring and Summer Show, summer evening garden outing and a variety of talks. The schedules for the shows will also be available at the meeting so that you can start planning your planting for the year.

Then, after the business is complete, we have as our guest speaker **Aidan Potts**, Contracts Team Leader at Canterbury City Council, who will give an illustrated talk on "**City Council Trees, Planting for the Future**", or, even, "**Hedging your Bets!**" We look forward to seeing you at these meetings.

Bridge with Patricbourne Women's Institute

Our final meeting of 2014 is on **Tuesday 9 December** (please note for this month only on the 2nd Tuesday of the month) starting at 7.30 pm in Bridge Village Hall when we will be getting into the festive spirit with our guest speaker, **Rosemary Piddock**, and her talk entitled "**'Tis the Season to be Jolly**". Afterwards there will be a **Christmas Buffet** and the chance to chat with friends.

Then, for our first meeting of 2015, we have invited Kate Lumley to talk to us about the charity "**Porchlight**" on **Tuesday 20 January** at 7.30 pm in Bridge Village Hall. As always, we are pleased to welcome visitors to our meetings.

Workaid

Workaid, the charity that collects tools, refurbishes and then recycles them for use in East Africa has a local collector. Donations of any tools in any condition from garden forks to sewing machines, manual or power driven, are accepted.

If you have any unwanted tools, please contact Tony Walder on 830057. Your tools will go to good homes - they will help people to help themselves in Third World countries.

CHRISTIAN AID AND THE EBOLA EPIDEMIC What Christian Aid is doing in Sierra Leone

Christian Aid is targeting 3.8 million people across the country with potentially life-saving advice on how to avoid contacting this deadly disease. In addition they are providing vital disinfectant and medical kits. So far more than 200,000 pairs of disposable gloves have been distributed to medical teams across nine districts.

Christian Aid's partners in Sierra Leone have also provided more than 360kg of powdered chlorine, with the potential to produce 11,600 gallons of diluted liquid chlorine, to disinfect health centres and for hand-washing by medical teams.

Partner organisations have also trained 900 community health volunteers to conduct house-to-house awareness-raising, with key messages on how to prevent ebola transmission. They then rolled out the training to a further 9,000 volunteers, enabling them to reach nearly 50,000 households across the country.

All this ongoing work in Sierra Leone and other West African countries is made possible by voluntary donations to organisations like Christian Aid. If you would like to help to combat the deadly ebola virus you can make a contribution via the Disasters Emergency Committee (DEC), of which Christian Aid is a member. The shop will become a not-for-profit community enterprise after March and will be moving into bigger, purpose built and fitted-out premises at the village hall in early summer 2015.

Are you interested? Would you like to know more? If so, please send a brief CV to ncs@vfast.co.uk. We are planning to interview candidates after January 16th 2015 and would welcome early expressions of interest.

Dear "Auntie Meg"

Thank you.

Thank you so much for the kindness you showed us last Christmas. At a time of great stress and worry you showed us that there are still those out there who care. Your gift was such a surprise and we are so grateful. It made things so much more "possible". You restored our faith in humanity and helped keep the magic in our children's eyes, I cannot quantify how much that means when you are facing difficulties. I have not known how to say thank you, but I hope that you realise this is about you. May your kindness to those in need, and your willingness to help without seeking praise, be an influence to all those who read this.

God bless you "Auntie Meg" you will always be in our prayers. I feel, that maybe the best thank you I can give, is to try and emulate your actions and to raise our family to think of others and to take actions to help where there is a need.

At this time of year we think of those we love, you took time to consider others also.

Thank you. And Happy Happy Christmas to our Dear Auntie Meg,

God bless you always xxx

Thank you

much much love, Elizabeth xx

BOURNE VETS NEWS

LITTLE BOY - Mum, can I have a Dog for Christmas?
MUM - No, you can have a Turkey like every year.
I hope it goes without saying that it is not presents. Most rescue centres and any rescue centre will have an animal in the run up to Christmas. Rescue centres deal with unwanted animals that have been abandoned. We recommend waiting until the Christmas period to choose to have a new puppy/kitten or rescue animal. You probably have more time to introduce your new pet to settle in properly once Christmas is over.

Christmas can be a stressful time for animals. We see many emergency cases at the practice over the Christmas period and a few of these will be specific Christmas related problems. So, here are some top tips for keeping your pets safe during the Christmas holidays:-

Christmas plants such as Mistletoe, Poinsettias and Amaryllis are poisonous. They can cause stomach and mouth irritations and in extreme cases can be fatal- Mistletoe Berries are particularly toxic.

Fasten Christmas decorations securely. Keep fragile ones, chewable cables and tinsel out of reach.

Try to keep to your pet's usual routine for exercise and meal times.

Do not be tempted to give your pet any leftovers. Sudden changes in diet with rich food can cause diarrhoea and vomiting-a very common Christmas complaint!

Keep chocolates, grapes and raisins out of reach as they are poisonous to pets. We have seen animals that have eaten boxes of chocolates wrapped up under the tree and jumped onto kitchen work surfaces to steal Christmas pudding!

Only give toys that are specifically designed for animals and supervise any new toys to ensure they are safe.

Keep alcohol away from pets.

Take care when you have visitors to ensure that gates and doors are securely closed and make sure your pet has a safe place to retreat away from the hustle and bustle if it becomes too much for them. Everyone at Bourne Veterinary Practice would like to take this opportunity to wish all our clients and their pets a very HAPPY CHRISTMAS and a HEALTHY 2015.

A Great Way to Start Christmas!
