Appointment of new Priest-in Charge in the Bridge and Littlebourne Benefices Our new Priest-in-Charge is The Reverend Canon Jonathan LLOYD.

Dear friends

My wife, Sue, and I are very much looking forward to moving to Bridge when The Bishop will license me as your Priest-in-Charge on 27 March. We are excited about moving to your wonderful community, and look forward to meeting and getting to know you - both people of the local churches and the wider village and school communities.

I am a 'local lad', as I grew up in Chartham. My first job was at St Augustine's Hospital, and I also spent summers picking hops and cherries in local farms. I know well the smell of hops, and have Kent in my blood. My late father grew up in Wye, and my mother lives in Canterbury. So I am delighted to be returning to my 'roots'.

For the last five years, I have served as a priest and archdeacon in Continental Europe, based in Copenhagen, Denmark. Looking after parishes and clergy across eight countries has been a different and unusual ministry, working alongside a great variety of cultures and traditions. I am now familiar with unusual weather, having had to avoid an Icelandic volcano, or a Nordic snow storm! Before Copenhagen, Sue and I lived and worked for 12 years in Bath in Somerset.

I am looking forward to working with such a dedicated ministry team, and with the retired priests who serve our communities so faithfully. Also the great team of churchwardens.

My wife Sue is a Children's Occupational Therapist working with Kent County Council, and we have two daughters Emma (25) who is a Primary School teacher, and Sarah (22) a designer.

My first Sunday with you will be Mothering Sunday, 30 March, and I warmly invite you along at 9.30am to the joint Family Communion Service at St Mary's Church Patrixbourne. Mothering Sunday is a special day for families, so do bring them along too. I have already persuaded my mother to come! I look forward to meeting you soon.

Grace and peace

Jonathan

LOWER HARDRES CHRISTMAS WORKSHOP

This was held on December 7th and between 30 to 40 children came. We really had a great and happy time. They were busy all the time. I would like to thank all the children and helpers for such a lovely time.

Margaret Clarke

For Baptism and Funeral enquiries please feel able to contact the Vicarage. The Church of England seeks to serve the community not just those who go to church.

Ruth Washington

As many of you may know, Ruth Washington has retired from membership of the Parochial Church Council after a long period of service and the PCC would like to take this opportunity of thanking her publicly for all the hard work she has done. She has given so much of her valuable time to helping to run the churches in this parish and to running the church youth groups, along with her husband Tony. We really are very grateful for all she has done and know that a lot of young people in our villages will be equally grateful. Don't worry, though! She will still be there running Family Services.

Guest Speaker:- Canon Rosemary Walters

Thank you from Mrs Dorothy King

I would like to thank all kind friends who sent me birthday and get well cards during my three-month stay in hospital, which resulted from a fall at home on 3 September in which I fractured my femur and my wrist in several places.

I returned home at the beginning of December and am slowly making progress, but may not be out and about again for a while.

The monthly Coffee Pop-In will be on Wednesday February 12th from 10 to 11.15. Do come. You are most welcome.

Bridge with Patixbourne Women's Institute

On **Tuesday 18th February**, popular speaker **Sarah Grazebrook** will be making a return visit to to give a talk entitled "**The Shadow of the Lamp**" in Bridge Village Hall, starting at 7.30 pm. As always, we are very pleased to welcome visitors to our meetings. So, if you are interested, do please come along. You will be most welcome.

We had an enjoyable Christmas meeting on 10th December with mince pies etc and a quiz. The Chairman, Ray Tupper, thanked everyone for their support this year especially Bob and Jan Catt and Chris Beer.

Our Poppy Appeal total has realised £3,911.83 - an excellent result. Many thanks to our new Poppy Appeal Officer, Wendy Giles and Nancy White and Brenda Longley. Also a big thank you to our collectors who work so tirelessly each year. We hope all our members had a good Christmas and wish them a Happy New Year. It is a quiet time of year for the Branch but we have a few things in the pipeline to announce next time.

Can we just take this opportunity to invite new members to join the Branch. Everyone is welcome whether they are ex-service persons or not. As long as they are interested in the aims of the Legion.

Our meetings are held on the 2nd Tuesday of each month at 8pm in the Recreation Club, Littlebourne (back of the village hall). We are a friendly, informal group, so please consider joining as one of your "New Year's Resolutions"! For more information contact the secretary on 01227 472023.

Our next meeting will be on Tuesday, 11th February at the above venue.

Ruth Washington

If you saw our thanks to Ruth Washington elsewhere in the magazine, you may have realised that we are in urgent need of volunteers, both to be members of the PCC and to help with our youth group Moby. If you think you could help with either of those things, why not have a word with one of the Churchwardens (contact details on the back of the magazine) and find out a bit more?

Moby is very urgent as we currently have a group of teens wanting to meet but without enough leaders for meetings to take place at all. Could you spare some time once a month to make that happen? Or if that is not quite your thing, could you offer a couple of hours every three months to help with the nuts and bolts of running the churches on the PCC? Please think about it!

CANTERBURY MEDICAL PRACTICE

(A combination of the Bridge, Littlebourne and Canterbury (London Road) surgeries)

Watch our Website: www.canterburymedicalpractice.nhs.uk

If you haven't got internet access at home, you can use one of the kiosks in the waiting rooms.

Were you aware that our Practice of over 12,000 patients has a **PATIENT REFERENCE GROUP ('PRG')**?

We meet three times a year with one of our senior General Practitioners (usually Dr. Mark Jones) and our Practice Manager (Emma Ray). Patient representatives attend to hear the latest Practice news, raise issues from patients, etc. If you are interested in attending, please let Emma know. You can read our Minutes on the Practice's website. We also have a 'virtual' group of patients who are contacted by email from time to time to ask for their thoughts about developments etc.

We have ten Terms of Reference. We help the Practice to plan or extend new services for the benefit of the health and social care needs of the local community. We evaluate existing services and raise awareness of any gaps. We listen to complaints (very few!) and help suggest remedies for them. We hear reports of successes and praises for the doctors and staff. We do this mainly through our regular Patient Satisfaction Surveys, which are available either for completion manually or 'on line', but we would like more patients to take part in these.

We welcome suggestions at any time from any patients as to how they can be helped to express their views and suggestions on the provision of 'Primary Care' (the care given to a patient outside a hospital setting).

Every day is never the same and we know what happens next! As well as dealing with all the emergencies we see, a vital part of our job is routine care which is vital to keep your pet healthy and free from pain. Whether you are an experienced owner or have just started, preventative healthcare is something you can't ignore. It's important that you are aware of developments in the field. There's been a significant increase in parvovirus infections and a rising risk of lungworm. Effective basic care for your pet with a solid foundation for their health, weight control, regular exercise, dental care, flea and worm control all play a part in the well-being of your pet. Vaccinations are essential to protect pets from several fatal diseases. Routine

vaccinations will protect dogs from Distemper, Leptospirosis, Parvovirus, Hepatitis and Kennel Cough. Cats can be protected against Feline Leukaemia, Flu and Enteritis and rabbits can be protected against Myxomatosis and Haemorrhagic Disease both of which are usually fatal. A primary course of 2 separate vaccines a few weeks apart can begin at 8 weeks of age for puppies, 9 weeks for kittens and 6 weeks for rabbits. Adults who were last vaccinated over a year ago will also need to restart with a primary course and then yearly boosters are required and we will send you out a reminder of when your pets vaccines are due. Annual boosters are also useful as your pet will have a thorough healthcheck when they come in and it's a good opportunity to discuss any concerns you have with a vet. If you would like to discuss vaccinating your pet please give us a call on 01227 832322 for further information.

Parish Councillor vacancy; The City Council had advised that there would not be an election to fill the vacant post on the Parish Council. It was therefore agreed to advertise for interested candidates. Applicants should send their c.v's to the Parish Clerk. The closing date for expressions of interest is 7th. January 2014. (See village notice board and website)

Nailbourne Pollution –. Cllr Atkinson reported that water levels were rising but were within anticipated seasonal limits. The work currently being undertaken by Southern Water should help alleviate future flooding. There would be serious disruption to the residents of Patricxbourne Rd & Riverside Close, potentially from 6th – 17th January. The road would have to be closed to traffic completely between Bridge High Street and Riverside Close at various times.

Snow Clearance Preparations; Cllr Moon reported that he had held a meeting of volunteer snow clearers the previous week. He had ordered bags of salt, which would be stored in Bridge Down and at Brickfields Close. Later it was intended to move some of the salt to the pavilion garage. High visibility vests would be distributed to volunteers. At present the priority areas for snow clearance would be the High Street, followed by the route to the Health Centre. More volunteers were needed and depending on the response, side roads could also be treated. Any volunteers were asked to contact Cllr Moon.

Neighbourhood Plan –.Draft objectives had been reviewed by a volunteer planning adviser from Planning Aid. The next meeting of the Neighbourhood Plan Committee would revise the draft in line with her comments. It was planned to put the revised draft to Bridge residents for their views in the New Year.

Recreation ground - Cllr Hodges thanked Cllrs Wilmshurst and Moon for moving the picnic benches into the pavilion for the winter. She reported that Tony Hart (Tree surgeon) would carry out a safety inspection of the trees on the recreation ground. Mrs Pam Dobson had kindly agreed to identify the species in the hedge near the school.

Recreation Ground Maintenance Contract; Having considered three quotations it was agreed to award the recreation ground maintenance contract for 2014/15 to AJ Longley, the present contractor. This was not the cheapest option but the firm had proved reliable. The cheaper quote was from a company considered less satisfactory when used in the past.

Withdrawal of Green sacks; Several residents had complained about the City Council's decision to withdraw green sacks from the refuse collection schedule. There was also strong objection to having to buy new green bins in their place. Cllr Cook said that the City Council had offered to assist anyone who found it hard to move green bins to the kerb. It was agreed to write to Cllr Cook to ask him to take up this matter with the City Council.

Response to Boundary Commission; It was noted that the Parish Council had submitted its views on new electoral wards to the Boundary Commission. Cllr Hodges thanked Cllr Corfield for his work on this

Laurie Wakeham It was agreed to write to congratulate Laurie Wakeham on completing 25 years as the owner of the butcher's shop in Bridge.

Thanks; Cllr Hodges said that recently many people had contributed their time to working for the good of the village and asked for the following thanks to be noted. She thanked Mark Esdale, and his large band of volunteers for putting up the Christmas trees and those providing refreshments. She also thanked Vicky White, Mr & Mrs Oakey and Mr & Mrs Fawke for tending the village planters and the flowerbeds at the chicanes. Valerie Wicker and Selwyn Lewis were thanked for their tireless work in trying to keep the village free of litter throughout the year. It was agreed to write a letter of thanks to Janet Horsley, who was leaving the village after serving on the Village Hall Committee for more than 20 years.

**Bridge Parish Council www.bridgevillage.org.uk
Notes from Bridge Parish Council meeting 9th January 2014**

Councillor Bill Oakey - Cllr Hill paid tribute to Bill Oakey who had died of cancer on 6th. January after a brave fight. He described him as an effective Parish Councillor until ill health forced his resignation. Bill Oakey had helped to organise the Queen's Jubilee celebrations and led a band of snow clearance volunteers in the village. The Parish Council offered its sympathy to his wife and his family and held a minute's silence in tribute to Cllr Oakey.

Draft Canterbury District Parish Charter –Parish Councillors had considered the draft of the Parish Charter, which had been put forward by the City Council. Councillors were critical of the lack of any hard commitments in the document. They also commented on the lack of consultation that there had been over new planning procedures. Several specific amendments to the Charter were proposed, which would be submitted to the City Council for consideration

Withdrawal of green sack collection service; Canterbury City Council officials had offered to visit a house in Bridge High Street to see first hand the problems caused by the withdrawal of the green sack service. The Clerk had arranged for a resident to meet them and was now waiting for the Council to confirm a date for the meeting

Neighbourhood Plan –Mr Gulvin reported that Stella Scrivener of Planning Aid would attend the next meeting of the Neighbourhood Plan Committee on the following day. A car parking survey and meetings with local landowners were planned for January

Nailbourne Pollution – Cllr Atkinson reported that the sealing of the sewer, which was currently being undertaken in Patricbourne Road, was likely to be completed at the weekend or possibly on 13th. January. There were no problems with the Nailbourne so far but the borehole water depths were at the same level as 2001. The Environment Agency report was due at the weekend and would show levels of water in bore holes was rising rapidly.

Emergency preparations in severe weather; Cllr Moon proposed that the contact telephone numbers of those with keys to the sandbag store should be made available on the village notice boards. Details were already on the village website. It was agreed to buy a barrow to transport sand bags in an emergency, as they were extremely heavy. Cllr Moon would take over the production of the Bridge Emergency Plan and would attend a Resilience Course run by the Emergency Services on 8th February.

Cllr Moon thanked Colin North for his help with removing a fallen tree from Bridge Hill on 23rd December and Mark Esdale for his help with the sandbags

Recreation Ground – Cllr Ward reported that there had been no significant storm damage on the recreation ground. There had been a lot of litter, following the holiday period, which Cllr Ward had cleared up

Christmas trees- Parish Councillors thanked the many villagers who turned out in record numbers to put up and take down the Christmas trees this year. Mark Esdale was thanked for his superb organisation of the event again.

Start of World War I commemoration; Councillors considered Cllr Hill's proposal that the parish council should commemorate the start of WWI in some way. It was agreed that Cllr Hill should liaise with the parish church and that the Parish Council would offer support to any plans they had.

Village Clock- Gillett and Johnston had been told that their contract to maintain the village clock would be terminated at the end of 2014. The cost was increasing and it was debatable whether the contract was value for money. The money saved could be put towards the purchase of a new clock when needed.

Date of Annual Parish Meeting- It was agreed that the Annual Parish Meeting would be held on Thursday 1st May in the village hall.

The next meeting of Bridge Parish Council will be on Thursday 13th February at 7.30pm in Bridge Village Hall. The Planning Committee will meet prior to the Council Meeting at 7.15pm. All Bridge residents are welcome to attend these meetings._

The Home Library Service

Your local Kent County Council Library has a team of volunteers who deliver and collect library items to and from customers' homes. This free service is called The Home Library Service.

Home Library Service customers are entitled to longer loan periods and it's not just about books. Items that can be loaned include CDs, spoken word cassettes, CDs, DVDs and also large print books.

Many people benefit from joining The Home Library Service. Some of our customers, for instance, find it hard to leave their home because they have to care for another family member. Some customers are elderly or suffer with ill health, whilst others may be new parents who need the service for a few months until they get back on their feet.

This service would not be possible without our wonderful team of dedicated volunteers and we are always looking for more people to support The Home Library Service. If you think you could spare a few hours a week and would enjoy making a difference to people's lives, why not think about becoming a Home Library Service volunteer or volunteering for one of the many other volunteer roles that we can offer?

Visit www.kent.gov.uk/leisure_and_culture/libraries/services_for_everyone, phone us on 03000 41 31 31, or next time you visit your local library ask for more information and an application form.

Our volunteers delivering the Home Library Service are screened for this role.

'Time to talk' rather than 'time and task' – pioneering a new approach to later life in our local area

No Place Like Home is a highly personalised, private support service for Canterbury and Swale senior residents. It was established by local resident, Alison Carter, in response to challenges experienced by her mother, Leslie, in sourcing high quality, tailored support at home for husband, John.

Our passion is to help our clients be better prepared for and to make the most of later life, focusing on quality experience and enjoyment. We pride ourselves in carefully crafting our companionship and care around each individual's wishes – this might include escorted trips out as well as help in the home or, if needed, personal care.

We are available 7 days a week and can respond to urgent requests, however, we find that it is often helpful to introduce support gradually, perhaps just for a morning or two each week. We are always delighted to receive visits from prospective clients, friends and family to explore how we might be able to help. Of course, we can also come out to visit prospective clients in their own homes if they are unable to come to us. We especially welcome those living with dementia.

We would like to invite you to our next Public Open Day at our office on: Tuesday 11th February 2014. Enjoy 'Tea and Talk' between 10-12am.

Our office is located at Syndale Park, Ospringe, near Faversham ME13 0RH. For more information, please contact: 01795 597 983 or alisoncarter@noplacelikehome.eu or see our website: www.noplacelikehome.eu.

The Rev'd Canon Jonathan Lloyd and his wife Sue will probably be in the middle of moving house as you read this. We welcome them as they settle into Bridge and look forward to Jonathan's ministry among us. As I write Jonathan has been in touch to assure us of his prayers for all affected by the flooding.

The flooding we've seen in Bridge, and which threatens many surrounding villages, has posed significant challenges for all of us. Other areas of the country, Somerset in particular, are experiencing flooding on an extensive scale - nevertheless the local situation is one of great concern and heartache – for householders, farmers, businesses and support services alike.

No doubt there will be plenty of analysis, discussion and recommendations over future months - including the impact of global warming on our climate, policies for land and river management, and priorities for expenditure at local and national level.

For now we simply offer support for all those affected, give thanks for the community spirit which has been in evidence throughout this time and recognise the work of the various support services which have responded to local need.

I offer the following prayer and ask you to keep those affected in your prayers:

Gracious God,

We commit to you all who are affected by flooding and the severe weather.

We pray for those who are suffering through loss of their homes and everyday lives and remember those whose livelihoods have been damaged.

We give thanks for the many people who have worked together to help one another.

We remember the physical hardships, stress and distress of all those working in difficult conditions and ask your blessing on all support and emergency services.

Bless the work of all those who are caught up in this severe weather and its aftermath.

All this we ask through your Son, Jesus Christ our Lord. Amen.

(from ARC - adapted)

with my prayers

Rev'd Chris Wilkinson

Parish Priest to the Littlebourne Benefice

News from Bridge & Patricxbourne CE Primary School

As usual we have had a very busy time in school. We have raised a considerable amount in donations for various organisations including the Salvation Army, the Pilgrims Hospice and we raised over £300.00 for the British Legion Poppy Appeal last term. One of our teachers, Lisa Wright, is currently on a year's secondment working in a children's centre in Uganda, we continue to support her by sending out supplies for the children in the orphanage where she works.

Nearer to home we organised a parade for Chinese New Year around Bridge for all our 4-7 year olds, and the PTA organised a successful Burns Night for parents and raised much needed funds for the school. Our Reception classes have been 'On a Journey', they caught the local bus to Canterbury (great excitement) and went to Build a Bear and returned in time for lunch.

We continue to warn our children on the dangers of the flooding and contaminated water in the villages. Limited parking in the village and the closure of the recreation ground has caused even greater parking problems in Conyngham Lane and we continue to liaise with the authorities and residents to work through this difficult time.

FAIRTRADE FORTNIGHT 24 February – 9 March

What is a fair banana?

Most of us love bananas. In the UK alone we eat over 5 billion a year. In the last 10 years, a bitter price war has seen the UK supermarket sector almost halving the price of loose bananas, while the cost of producing them has doubled. This is trapping many of the farmers who grow them in a cycle of poverty. Does this seem fair to you?

Foncho is a banana farmer from Colombia. Before Foncho's co-operative Coobafrio was certified as Fairtrade, he often struggled to make ends meet. But now he receives a fair price for his bananas, which means he can support his family and send his daughter to college.

What can we do?

Supermarkets need to stay competitive and competition law forbids them to co-ordinate price rises amongst themselves. The government must step in to investigate the grave impact of unsustainable supermarket pricing and act to protect the many poor farmers who grow the UK's favourite fruit. Please help by signing the petition to Vince Cable, Secretary of State for Business. We will have a petition sheet and post cards to send in Bridge Church during March.

Find out more.

There's a lot of information on the Fairtrade Foundation website – www.fairtrade.org.uk

This year, the **OPEN COMPETITION** for everyone of all ages will be:

5 sticks of rhubarb (pulled and leaves trimmed)

There is still time to start paying attention to those crowns of rhubarb skulking somewhere in a very soggy garden and to think perhaps of bringing them on by forcing them with a bucket, straw or similar to get them ready for the show.

Please do have a go! It is easy to enter. Just bring them along before 10 am to the hall on the morning of the show.

If any member still requires a show schedule, please contact Kathy Walder on 830057.

PERFUME IN THE BIBLE

Following a successful talk at the cathedral last autumn, Dr. Charles Sell will be giving a talk in Kingston Barn on perfumery through the ages, from 3000 years ago to the present day, with glimpses into the lives of the people who used them through the ages, with particular reference to Biblical occurrences. There should also be opportunities to experience some of the perfumes being discussed.

You are invited to assemble at 7.00pm for the talk to start at 7.30pm on Fri. 14th March.

This is bound to be a popular event, so advanced booking is advisable. Tickets, in aid of the Friends of Womenswold Church, cost £6.00 or £5.00 for Friends, to include light refreshments, and can be obtained from Marilyn Lewis, 01227 831208, Jeanie Wright, 01304 830894 or Maggie McKenzie 01227 831404.

Notes from Bridge Parish Council meeting 13th February 2014_

Flood Situation Update- Cllr Moon updated the Council on the flood situation in Bridge. Pipes had been installed that day to avoid the 'pinch point at the bus shelter and water was now flowing over the road via two 8' pipes and one 6' pipe. No action would be taken that would increase flood risk further down stream. Cllr Moon paid tribute to the many Bridge volunteers who had helped with filling and deploying sandbags, making tea for the emergency services and helping vulnerable residents. All the professional emergency services had been working tirelessly. It was agreed that there should be a first aid course organised for councillors and volunteers after the current emergency had ended. It was also suggested that the sand bag store be moved to a location that would be easier to access than the recreation ground. Cllr Hodges thanked Cllr Moon for his continued outstanding work in helping those affected by the flooding and assisting with co-ordinating the emergency services._

Nailbourne Pollution – Cllr Atkinson reported that Cllr Cook and Julian Brazier MP had visited the area. Cllr Gilbey had also been invited to come and see the situation. Ground water had already reached the highest measurement on the scale and was unlikely to reduce until the summer. This would continue to affect the levels in Church Meadow and the Nailbourne. Southern Water had tried to line the sewer but the present inundation could cause further problems. Cllr Hodges thanked Cllr Atkinson for his continued work on the problems of the flooding.

Recreation Ground – Cllr Ward re-iterated that the recreation ground had been temporarily closed on the advice of the Environment Agency and would remain closed until the Parish Council was advised that it was safe to re-open it. The EA had rejected a suggestion that a fence should be erected along the path from Riverside Close to the school gate.

Annual Parish Meeting It was agreed to ask Guy Gardener, the Emergency Flood Co-ordinator from Canterbury City Council, to speak at the Annual Parish Meeting.

Mill Centre- There had been no response from Mr Bursnell of CCC to the application for the Mill Centre to be added to the Parish Council's list of assets of community value. The Centre was suggested as a possible location for the sand bag store.

Response from Canterbury Police to Dog Attack Complaint The disappointing response from Inspector Mark Arnold was discussed. It was agreed to pursue the idea of re-instating the Police Forum, which would include a representative of each parish council and representatives of Kent Highway Services at regular liaison meetings. A reply would be sent to the Police requesting this and Action with Rural Communities in Kent would also be asked to support the proposal.

Withdrawal of green sack collection service; The Clerk reported that she had been unsuccessful in getting the City Council to re-consider its decision on green sack withdrawal or to visit those affected. Cllr Cook had been asked to continue to pursue this with the City Council.

Village Litter pick Cllr Ward announced that there would be a Spring village litter pick on Saturday 29th March at 9.30. Volunteers should meet at the Post Office. If the weather was bad the event would be postponed until 5th April. All volunteers would be very welcome.

Recreation Ground Working Party Cllr Hodges announced that there would not be a working party this Spring because of the current flood situation. Work with the Kent Stour Countryside Partnership Volunteers would be postponed until September as would work with the primary school children, who would do their planting in September._

Bridge Down Steps – Cllr Hodges reported that surveyors from Kent Highway Services had been seen taking measurements at the steps. No indication had been received as to when replacement work might begin.

The next meeting of Bridge Parish Council will be on Thursday 13th.March at 7.30pm in Bridge Village Hall. The Planning Committee will meet prior to the Council Meeting at 7.15pm. All Bridge residents are welcome to attend these meetings._

A Country View

Shrinking Violets

As the evenings grow a little lighter and longer and we look forward eagerly through this stormy spell to the coming of spring, some of our wild flowers offer the hope of brighter times. Snowdrops have been out in the churchyards for a while and crocuses are making an appearance across the area.

Mild temperatures have also encouraged violets to make an early appearance in verges in some parts of Bridge. However, few of us will have seen them because someone has been spotted picking them all. This is of course very disappointing, but we have been asked: "Is it allowed legally?"

For clarification, digging up wild plants is illegal anywhere; picking wild flowers is not technically illegal, unless the plants are a protected species, or they are in private

grounds, or land maintained by the council. However, it seems most of the land in this area fits into one of those categories so we suggest it would be sensible to avoid picking wild flowers from a legal point of view.

From a moral perspective, how much more generous it would be to leave the flowers where they grow so that all those who wander past on their country rambles can enjoy them too.

For true nature lovers, those who really appreciate our countryside heritage, it is much nicer to see wild flowers in their proper place, out in the countryside, than it is to see them picked and sitting isolated in a vase on someone's coffee table.

Bourne Vets News

Vomiting and Diarrhoea is a common problem for dogs and cats at any time of year but we have seen a recent increase in cases and are worried it may be related to the flooded waterways and sewage issues that are causing such problems in our area. If you notice that your pet is vomiting or has diarrhoea or both then initially it is important to withhold food for 24 hours but make sure that fluid is offered in small amounts regularly so that they don't get dehydrated. You can purchase ready-made dehydration support salts or make a homemade version by adding a pinch of salt and a teaspoon of sugar to 500mls of fresh water. Make sure you monitor them closely and keep them warm and after 24 hours of starvation if there is no more symptoms introduce a very bland white meat based diet (Chicken, white fish, rice or pasta).

If the symptoms carry on for more than 24 hours then we would recommend seeking veterinary advice. Also if your pet is showing any signs of dehydration such as dullness, sleepiness and dry gums or there is blood in the diarrhoea or vomit then we would recommend they are checked by a vet sooner and at Bourne Veterinary Practice we are open 7 days a week if you have any concerns. In the vast majority of cases some straight forward symptomatic treatment is very effective and fast acting.

We have also seen some dogs that have been dragged underwater in the fast currents recently and if they are pulled under bridges there is no airspace for them to take a breath and can aspirate water. Please avoid letting your dog swim in the waterways until these extreme conditions have settled down.

The Rainbow Ride & Stride for Pilgrims Hospices

Join us on Sunday 23rd March for a springtime cycle ride, dog walk or ramble along the scenic Great Stour Way from the Pilgrims Hospice in Canterbury to Chartham village hall and back. Refreshments and cake will be served at Chartham ready for the return journey back to base. Put your hand or paw print on the wall to show you've finished.

This is an event for everyone; families, friends, children, dogs. We want to see you all there in every colour of the rainbow; red and yellow and pink and green, purple and orange and blue!

Tuesday 22nd April from 10.30 - 12.30

T.O.P.S.

We would like to thank everyone who supported us last season. We enjoyed ourselves, we hope you did too!

This year has been mapped out, with another Murder Mystery being performed on May 3rd, at Bekesbourne Village Hall. These have proved very popular – it is certainly quite a challenge spotting the villain!

On July 26th in the beautiful Barn at Woolton Farm we are holding a Grand Barn Dance. We hope you will come and join the well-known “Lone Gin Band” in this lovely setting. A barbecue will be available – just three and a half hours of glorious fun. More details later.

Then in September, Phil, our Artistic Director, is preparing a dramatic tribute to the local boys who died in WW1, incorporating the story of Charles Newport, who was born in Bekesbourne and volunteered for the Buffs in 1914. We hope to perform this in St. Peters Church with the blessing of our new Priest, Canon LLoyd.

At Christmas, another get together on Saturday, 20th December at Bekesbourne Village Hall. This was a lovely evening last year and we, together with FOBC, have been asked to arrange something similar this year.

One other event we would like to put on is a Curry Night with entertainment. Again, details later. Watch this space! Quite a busy year and one we hope you will approve of.

In communities, you get out what you put in, so if you would like to join us, you will be made very welcome.

St. Peter's Bridge Easter Lilies

Easter lilies this year will be purchased from a new supplier, as sadly our old one has closed, therefore the price may vary, but I am hoping £3 will be the approximate cost. If you wish to make a donation, in memory of a loved one, please contact Viv Brasier (830981) or a Churchwarden.

Decorating the church will take place from 9.30am on Saturday 19th April, all help greatly appreciated. Thank you.

Book Shelves

Book shelves have been installed at the back of St.Peter's Church in the hope that folk might find something of interest to read. Of course, there are only very few examples there at the moment but we hope that friends could add to them in the course of time.

So that we can monitor the usage it would be helpful if borrowers would complete the record-book hanging alongside.

It is assumed that donated books will be largely related to the Christian religion, at the moment at least. Thank you. Barry Whiting.

Fish Scheme (Neighbourly Help) News Tel no: 07935 966 080

The April Coffee Pop-In will be on Wednesday April 9th in Bridge Village Hall. Please return the forms for the outing to Quex Park on Thursday May 22nd. Should you miss the Pop-In, the forms can be returned to Frank Whiffen's office, 29 High Street, by Friday May 9th.

The annual Bring and Buy will be on Saturday May 10th. Thank you for giving that your generous support.

We are pleased to say that we can put you in touch with a generous volunteer who can give basic computer support and assistance. This does not cover repairs but does cover help with using your computer, including protection and security, fault finding and advice and help with using programs and printers etc. The volunteer will give this help without charge but a donation to the Fish Scheme of £5 an hour would be appreciated. Please telephone the number above if this would help or encourage you

Bridge History Society

Our next two events are both visits. The first is a private visit to Bourne House. This is now fully booked. The second visit is to Dode Church, and takes place on Thursday 24 April, meeting at the church at 2.30 pm. This visit is a follow-up to the interesting talk we had at our last meeting, given by Douglas Chapman. Doug has lovingly restored this medieval church to something resembling its original appearance and condition. The cost of the visit is £5 for members and £7 for non-members. Any enquiries should be addressed to David Gilmour (Tel. 832450).

Bridge Benefice Caring & Sharing Group At the January meeting Terry Gore, Manager of 'Catching Lives,' gave a very interesting talk on the charity and its work with the homeless in Canterbury. Terry told members that there is a continuing need for towels and toiletries as showers are available for use by the clients of the centre. Following his visit, members of the Caring & Sharing Group have donated towels along with the large amount of food items given to Terry on the evening of his talk. If anyone else wishes to donate food or towels and toiletries for 'Catching Lives', collection can be arranged by phoning the number below. Since Terry's visit to us, he has heard that funding for the work of 'Catching Lives' will continue for the next financial year. This means that the employment of the two qualified mental health nurses at the centre will continue. For those unfamiliar with the Caring & Sharing Group and its activities, the interdenominational group was started for ladies in the Benefice by Judy Filmer when her husband Paul was vicar here. We meet fortnightly on the second and fourth Mondays in the month. On the second Monday we have 'Coffee and Chat' and on the fourth Monday we have a speaker. The venue for the meetings when speakers are arranged is the recreation room at Mansfield Court by kind invitation of the Manager and Residents, several of whom we are very pleased to see join us at the talks. At the same time as the Caring and Sharing Group was set up Paul organised 'Ears and Beers' evenings at the Plough and Harrow for the men in the Benefice. Unfortunately, the men's group ceased to exist on Paul's departure. The ladies are very conscious of the lack of a similar group for men so whenever there is an event of interest to men, such as the annual summer BBQ, they are invited along! Several men came along to hear Terry Gore speak and in February to hear a talk on the 'Battlefields' given by the Rev Canon Bruce Hawkins. A reminder that our **Annual Spring Show** is on **Saturday 12 April** in Bridge Village Hall. Exhibitors will have access to the hall from 8.00 am on the morning of the show but must vacate the hall by 10.00 am when judging will take place. The show will open to the general public from **11.00 am until 3.00 pm**, with prize giving at 12.30 pm. As well as a fine display of spring flowers, cookery and flower arrangements to admire, there will be a plant/bring and buy stall, a raffle and refreshments available throughout the day. Do, please, include a visit to the Show on Saturday 12th.

Details of the **OPEN COMPETITION** for everyone of all ages to enter, not just members, were given in last month's magazine. This year we have chosen something which I am sure many of you have growing in your gardens. We are looking for **5 sticks of rhubarb** (pulled and leaves trimmed). All you have to do is bring them along before 10 am to the hall on the morning of the show.

And finally, if any member still requires a show schedule, please contact Kathy Walder on 830057.

Bridge with Patricxbourne Women's Institute

On Tuesday 15 April, starting at 7.30 pm in **Bridge Village Hall**, Ian Hulf will be giving a talk and demonstration on **displays with plant supports** which should provide us with lots of ideas and inspiration for planning and adding a new dimension to our summer planting.

We are always delighted to welcome non-members to our meetings.

Bourne Vets News

Good luck to Millie Knight from Canterbury who is competing in the Winter Paralympic Games in Sochi this week.

Millie is partially sighted and this was tragically caused by her being infected by Toxocara (roundworm) eggs from a dog or cat when she was younger.

The Health Protection Agency (HPA) only recorded 30 cases of Toxocariasis in England and Wales between 2000 and 2010 so it is a very rare occurrence but is devastating when it happens and really brings home how important it is to regularly worm your pets.

The disease usually affects children between 1-4 years old because children are more likely to come into contact with contaminated soil when they play and put their hands in their mouths. However, cases have been reported in people of all ages. For most people, an infection with these roundworm larvae causes no symptoms and the parasites die within a few months. Some people will experience some mild symptoms and in rare cases the roundworm larvae infect organs such as the liver, lungs, eyes or brain and can cause severe symptoms such as blurred vision and breathing problems. To reduce the risks it is important to worm your pets at least every 3 months and practice good hygiene with your children and ensure they always wash their hands after playing outside.

WARNING - Please note that there have been some sightings of Palm Oil washed up on Kent beaches in the last few days. Palm Oil is used in many foods but it can be fatal to dogs if they eat it and is also found on beaches in different sized lumps and is a common sight. This can be fatal to dogs if they eat it and can also be found in cleaning fluid or diesel oil. It is very toxic and can make your dog violently sick and can damage their liver and kidneys. If your dog eats any of this on the beach or in your garden, please seek treatment immediately. Please call us at Bourne Vets on **01843 832322** if you have any concerns.

Mill Centre- It was confirmed that the Mill Centre had been added to Bridge's list of Assets of Community Value. Staff from the City Council's Estates Department had visited the Centre during the week with a view to re valuing the site. The outcome was awaited. Parish Council and Mill Centre representatives would meet Suzy Wakeham at the City Council on 17th. March for further discussions on the future of the Centre.

Flood update- Cllr Moon reported that the pump had been moved from 100 High Street to the gate at Church Meadow and was now pumping from 'the lake' out via the fields and into the Nailbourne. This seemed to be working well without any significant rise in river level. Cllr Moon said that householders should retain their sandbags for the present.

Nailbourne Pollution – Cllr Atkinson reported that the Nailbourne continued to run high, fed by exceptionally high ground water levels and there was still significant contamination in the water. The sewage system remained fragile in the village. A new group had been formed to look at the 'pinch points' of the river and there had potentially been some funding for this identified. More information about potential Government funding could be found on the village website. Cllr Atkinson and other representatives from Littlebourne & Wickhambreaux attended Kent County Council's Flood Management Committee on 11th. March. A meeting of the LSNRM was scheduled for later in the month.

Brewery Lane drains- Cllr Atkinson reported that in August 2013 Kent Highway Services had investigated the drains in Brewery Lane and found a blockage. No further action had been taken to remedy the problem and this had contributed significantly to the flooding experienced by residents at the High Street end of the Lane. There was need for a survey of the drain to be undertaken and it was agreed that the Clerk would contact KHS, requesting this and also reporting the difficulty there was in discovering what action was being taken on problems reported via the KHS website.

Annual Parish Meeting- Guy Gardener and Ted Edwards of Canterbury City Council, both of whom had been central to the planning during the flood emergency, had agreed to speak at the Annual Parish Meeting.

Neighbourhood Plan – Prof Connor reported that the parking survey had been delayed because of the traffic disruption during the flooding .He said that the Neighbourhood Plan needed to consider the future environmental consequences of the flooding and the Parish Council agreed that the Committee should talk to the Environment Agency and the City Council on this subject.

Bus shelters.- Kent County Council would make good the damage to the bus shelter in the High Street. Cllr Hodges thanked Cllr Moon for arranging for this to be agreed. An estimate for work to renovate the Higham Lane bus shelter had been requested.

Higham Lane Bus shelter- It was decided to defer any decision as to whether the Parish Council supported the proposal to re-site the shelter until after an engineer had considered the site and reported back. Cllr Hodges asked to be present at any site visit. KCC Cllr Northey would arrange the visit.

Relocation of sand bag store- It was planned to move the sand bag store to the Mill Centre, where it would be more accessible. Five large grey boxes, donated by the Environment Agency, would be used to store sandbags and one box would be used for rock salt storage. The old sand bag store on the recreation ground would be used for wild flower project tools.

Village Litter pick Cllr Ward reminded the meeting that there would be a Spring village litter pick on Saturday 29th March at 9.30am to clean up the village. Volunteers should meet at the Post Office. If the weather was bad the event would be postponed until 5th April. All volunteers would be very welcome.

The next meeting of Bridge Parish Council will be on Thursday 10th April at 7.30pm in Bridge Village Hall. The Planning Committee will meet prior to the Council Meeting at 7.15pm. All Bridge residents are welcome to attend these meetings.
