Having only just completed the Christmas season, we are now into Lent rather quickly as Easter this year is early. I was once asked by the Vice-Chancellor of the University of Bath (where I was chaplain) how the date of Easter was calculated. I gave him a Book of Common Prayer, and talked about the position of the moon and the importance of golden numbers as I gave him the dates of Easter for the next half century. He looked bemused. As an American he just couldn't understand how and why the Church has any influence of the setting of university term dates! Perhaps this is a useful reminder that although our society feels more secular than ever, at the heart of our legal and democratic systems, culture and society, we are shaped by Christian festivals, values and history.

It was a wonderful moment last month when the crozier head of St Gregory's episcopal staff arrived in Canterbury Cathedral, as well as the Augustine Gospels. This powerful reminder of the sending by Gregory of Augustine in 597 to renew the Christian faith in this land, made me appreciate just how special it is to be here in Canterbury Diocese. We are surrounded by deep Christian history, and our regular pattern of worship here in our five churches of the Bridge benefice is rooted in this history and witness.

Lent is an important time of simplicity, pondering, studying and finding space to imagine Jesus in the wilderness. The first day of Lent is Ash Wednesday on 10 February and this year we are having a joint service at St Vincent's Church, Littlebourne, at 7.30pm. You are warmly invited. Through the five weeks of Lent we have three different Lent Groups locally, and I invite you to come and take part. (*See page 13 for details*)

I am most grateful to Pat Kusel who has led the Family Service at Bokesbourne for over 20 years, and served as an Authorised Lay Minister. She has now stepped down from these roles, and I thank her for all her hard work, creativity and energy in leading this ministry with such skill and commitment over such a long time. I am also grateful to Clive Medhurst who has served as our benefice treasurer, and I welcome Devin Brougham our new treasurer. Devin has served as church treasurer in Thailand, Germany and Sweden, before he moved to Nackington.

This month our good friend Canon Reg Humphriss celebrates his 80th birthday, and we send him our congratulations and thanks for all he does for us. I first met Reg in 1982 when Sue and I applied to get married in his parish. (He said yes!)

Have a blessed Lent, Jonathan

Last Family Service Bekesbourne

Our last service was Epiphany, The Three Kings. The children acting out the coming of the Wise Men to Jesus. It was a very moving service as Pat, after 20 years of running the service, has decided partly for health reasons to give up running the family service. The service and Pat will be sadly missed. She put a lot of hard work into the services, making them both interesting and fun. She was supported by her husband Paul, who was part of the music team along with Jean and her daughters. When Pat was ill or on holiday the service was taken by Ashleigh, Jean's husband with Jean and their daughters. We are very grateful for their help and support of Pat.

We wanted to thank Pat in some way and the family service members clubbed together and presented gifts to Pat not of gold, frankincense and myrrh but a Marlowe voucher and some shrubs for the garden. Tea and cake followed. A fitting if sad end to a popular service.

Pat has also decided to stand down as ALM and her authorisation will not be renewed. She will remain a member of Bekesbourne PCC.

DESERT EXCHANGES - an invitation this Lent

Lent starts on Ash Wednesday (10 Feb) and this year we will have a shared service that evening at 7.30pm at St Vincent 's Church, Littlebourne (our sister benefice). You are warmly invited to join one of **Benefice Lent Groups**. We meet once a week for five weeks. The Diocese Theme for 2016 is '*Conversations on the Journey*', and this Lent we will use Luke Chapter 4 to help us follow the conversations Jesus had in the desert that shaped his pilgrimage. Small groups are an important part of exploring our journeys, and 'being the Church'.

Each session has a title that relates to either the temptation considered or the questions that the preceding and following passages ask of us: Appetite, Ambition, Acclaim, Authentic, and finally Accept. Bishop Trevor writes: '*I sense that there are many transformative, and perhaps risky, conversations yet waiting to happen in our churches. I want to encourage these in every way we can.*'

There will be three Lent Groups (please choose one, and try to come each week);
1) **Tuesdays at 7.30-9.00pm** at Mansfield Court, Bridge. Led by Margaret Clarke. Starting on 18 Feb

2) **Thursdays at 2.30-4.00pm** at Rosary House, Aerodrome Rd., Bekesbourne
Led by Pat Kusel. Starting on 11 Feb

3) **Thursdays at 7.30-9.00pm** at 8 Conynham Lane, Bridge. Led by Bev Latham and Martin Leggatt. Starting on 11 Feb.
All are welcome!

Thank You All!

I would like to express my sincere thanks and deepest gratitude to all the wonderful friends who have given me so much support and kindness following my recent operation. I have been overwhelmed and humbled by all the 'Get Well' messages, calls, cards, flowers and visitors I have received and the continuing concern and goodwill as to my progress. These have helped me enormously in my recovery. Thank you all from the bottom of my heart.

Poppy Appeal 2015

Thanks to all who helped with the 2015 Poppy Appeal in November. We raised an impressive £2836.45. A special thanks to Bridge Primary School who donated £500 from their Bonfire and Fireworks event as well as raising close to £400 within the school!

We need new helpers for this year's appeal. We need people to collect door to door on Union Road, Bridge High Street, Bridge Down, Riverside Close, Mansfield Court and Beech Hill. We could also do with someone, such as a retired service man or woman, to volunteer to stand outside Bridge Stores to raise money for the Royal British Legion.

Please consider just giving up half an hour of your time. It is a worthy cause and it is a good way to get to know fellow villagers better.

Please email John Shirley Poppy Appeal Organiser john.shirley@johnshirleyltd.co.uk to volunteer or alternatively ring him on 07808734842.

Littlebourne & District Royal British Legion

The start of a new year is our quietest time for the Branch but we are nevertheless on the lookout for new members. So if you feel you might like to join us please do contact us or come along to our next meeting.

Our January meeting was attended by the Kent County Co-ordinator, Mrs Anne Hill, who talked to us about her work with the Poppy Appeal.

We have already booked our next Cream Tea Afternoon for Saturday, 4th June in Littlebourne Memorial Hall. There will be lots of stalls and anyone who would like to book a table to sell their wares can ring the Poppy Organiser on 01227 728228 or the secretary on 01227 472023.

Our next two monthly meetings will be on Tuesdays 9th February and 8th March, both at 8pm at the Recreation Club, Littlebourne.

Lack of food security is one of the world's most critical issues. Despite millions of farmers and workers in developing countries working hard every day to grow the food we eat, many don't earn enough to know where their next meal is coming from. Half of the world's hungry people, nearly 400 million, are estimated to live on small farms.

Shoppers in the West can change this by harnessing the power of Fairtrade – so that farmers and workers behind our products can feel secure, knowing they can feed their families all year round.

Fairtrade works with 1.5 million farmers and workers in parts of Africa, Asia and Latin and Central America, enabling them to earn a sustainable income and the Fairtrade Premium, so that they can invest in vital community, business and environmental projects.

Nilufar Verjee, Public Engagement Director for the Fairtrade Foundation, said: "When people are paid a fair price, they can have more control over their lives. Whether it's having the money to spend on food or being able to expand their farms to grow more food to eat, Fairtrade means many farmers and workers are able to do what we take for granted – put enough food on the table for the people they care about, all year round".

BOURNE VETS NEWS

Cats are infamous for their long snoozes and often appear to be very laid back creatures, however they actually lead very busy lives. A great deal of energy is spent defending territory, eating, climbing, playing, chasing, and sniffing next door and ensuring plenty of attention. This can take a toll over the years and as they age, they are not always visible to the owner. Just as in humans, the internal organs may begin to give up. In older cats, **kidney failure** is a common problem. Kidneys remove waste products to form urine. When they are damaged, shrunken and scarred, it becomes a difficult problem to detect early. Often, the first signs or any symptoms become noticeable only when the cat is drinking excessively or urinating frequently, losing weight and lose their appetite.

There is now an exciting new test available to detect loss of kidney function a lot sooner by measuring SDMA levels. SDMA levels in the blood increase when 40% of kidney function is lost so we can now identify disease much earlier. This early identification means earlier management so we can help slow the progression of the disease.

The type of treatment will depend on the level of kidney failure. We may prescribe a change of diet to a special 'renal' diet which has restricted protein, less phosphorus and salt and increased potassium and B vitamins. Your cat may also need medication to help reduce their blood pressure or they may initially need to be hospitalised for fluid therapy to help rehydrate them.

Unfortunately, there is no cure once the damage has been done but we can slow the progression of the disease and significantly improve the quality of life of your pet, so if you are at all concerned that your cat may be showing signs of renal failure please give us a call at **Bourne Veterinary Practice** on **01227 832322**.

Abbreviated Minutes of a meeting of Bridge Parish Council
Thursday 10 December 2015 in Bridge Village Hall at 7.00p.m.

(Full version on website www.bridgevillage.co.uk and BPC noticeboards. BPC = Bridge Parish Council; CCC= Canterbury City Council)

Recreation Ground

Many entries for the school logo competition have been received. It was decided unanimously to delay pollarding two maple trees until Council re-considers the pruning of these trees in December 2016.

The Clerk reported on the correspondence which had been received from parishioners about the Cantley development proposals. This has all been forwarded to Cantley.

The Chair spoke against the City Council plans for Brickfields at a public meeting on 11 November 2015 and reminded the meeting that the draft Neighbourhood Plan talked of 8 houses on the site, not the proposed 40.

At a meeting held on 9 December the main terms of a thirty year lease for the Mill Centre were discussed and agreed. The new lease will run from 1 March 2016.

There will need to be a major campaign of fundraising by the Mill Centre Management Committee in order to pay for the proposed works.

The budget for 2016-2017 was set and agreed unanimously. A precept of £29,737.61 added to a council tax support grant of £1,377.39 will bring the total budget (without the CFF element) to £31,075 an increase of £505 on the amount received in 2015-16.

The new village snow policy was adopted.

Mr Richard McCarthy was thanked for offering to take on the post of footpath warden from January 2016.

The village website has a link to the application form for the post of Village Warden.

The deadline for applications is 1 Feb 2016.

A consultation document on the future of the Green Court area is being prepared.

The Clerk was asked to investigate with the City Council the designation of areas such as Riverside Close, Conyngham Lane and the school access drive as “traffic managed areas”, meaning that the City Council’s enforcement team could report and sanction inconsiderate parking.

It was agreed that the village would “Clean for the Queen” in early March (over the weekend of March 5 and 6, 2016)

Abbreviated Minutes of a meeting of Bridge Parish Council
Thursday 14 January 2016 in Bridge Village Hall at 7.30 p.m.

Full version on website www.bridgevillage.co.uk and BPC noticeboards. BPC = Bridge Parish Council; CCC= Canterbury City Council)

Canterbury City Council has confirmed the precept request made for 2016-2017. It appears the butcher's shop may yet be sold as a going concern and that interest has been shown by an interested party to take on the Post Office.

Conyngham Lane has been registered with Canterbury City Council as a "traffic managed area"

The Chair recorded his thanks and those of the Parish Council to the volunteers who had erected and dismantled Christmas trees on the High Street.

Recreation Ground

The Clerk will inform Bridge School of the winning entries in the competition for recreation ground signs.

Council resolved to purchase 2 new anchored picnic benches for the childrens' play area (£1,024); repair one of the swings (£1,136) and pay for improvements to the pathway around the pavilion and the provision of a ramp for wheelchair access (approx. £4,200).

The most recent update from Cantley Estates (dated 11 January)-now available on the parish website- was read out by the Clerk. It refers to a number of potential sites for housing developments in the village. The Chair gave his own personal response to this statement from Cantley.

The village party to celebrate the Queen's 90th birthday will take place on 12 June from 12-16.00h on the recreation ground. Volunteers will be needed and the event must be properly advertised and organised.

KCC will be invited to carry out their investigations on tree roots in the Green Court area. Plans will be developed further once the required approvals are forthcoming. The Chair spoke of his personal disappointment at the way in which Canterbury City Council had announced potential development on the Brickfield site. The Parish Council agreed to write a letter to the Chief Executive and Leader of Canterbury City Council which will include reference to the disingenuous use of the unfinished neighbourhood plan to justify inclusion of more houses than are mentioned in the draft neighbourhood plan.

Two potentially new contractors are to be contacted by the Clerk to see if a more efficient method of controlling the moles on the recreation ground can be found. Council agreed to write again to Stagecoach outlining the apparent unfairness of the current pricing policy with regards to many Bridge residents.

Training will take place in February on the use of the newly acquired Speedwatch equipment. 14 volunteers have come forward so far.

It was agreed to include a flier about dog fouling in the next edition of the parish newsletter.

The next meeting of Bridge Parish Council will be on Thursday 11 February 2016 at 7.30pm in Bridge Village Hall.

ONWARD CHRISTIAN SOLDIERS

Verses from this hymn were sung in the **Musical Journey through 1878** concert at St Mary's, Patricbourne in September. I explained in my commentary how it came to be written, how its stirring tune makes it popular, how its military references can make it controversial, and how it was "*most heartily sung*" at the first Mattins using St Mary's new organ on Sunday 22 September 1878.

Readers might be interested to learn, or be reminded, that this hymn was written by Rev Sabine Baring Gould, when he was curate of a Mission in Horbury Bridge (West Yorkshire) for use on a long Whit-walk up to Horbury Parish Church in 1865. Although it had a dull tune, it was rescued from oblivion in 1872 when Arthur Sullivan (of G&S fame) composed his tune 'St Gertrude'.

My mention of the parody version **Backward Christian Soldiers** led to several enquiries, so I've set it out below (words anon). Each Advent we are urged "*to wake up out of sleep*" and it could be that these satirical verses can awaken us, both individually and collectively, to ways in which we are backward and help us resolve to change direction.

Backward Christian Soldiers, fleeing from the fight

With the Cross of Jesus nearly out of sight.

Christ, our rightful master, stands against

the foe,

But forward into

battle, we are loathe to go. *Backward Christian...*

Like a mighty tortoise moves the Church of God

Brothers we are treading where we've always trod.

We are much divided, many bodies we

Having many doctrines, not much

charity. *Backward Christian...*

Crowns and thorns may perish, kingdoms rise and wane,

But the Church of Jesus hidden doth remain.

Gates of hell should never 'gainst the Church prevail

We have Christ's own promise, but think

that it will fail. *Backward Christian...*

Sit here then ye people, join our useless throng

Blend with ours your voices in a feeble song.

Blessings, ease and comfort, ask from Christ the King,

With our modern thinking, we don't do a

thing. *Backward Christian...*

REFUGEE CRISIS

Images of desperate refugees risking their lives to cross the Mediterranean in unstable boats are a distressing reminder of the refugee crisis in the aftermath of World War II that led to the founding of Christian Aid in 1945.

According to the UN, in the first half of 2015, a third of the people making the sea crossing to Italy and Greece were from Syria. More than 50% of the population are now displaced, with more than 4.1 million people forced to seek safety outside the country, in Lebanon, Iraq and Europe. Their needs will increase now winter is here, and the numbers of people seeking refuge will continue to grow as long as the conflict in Syria continues. As in 1945, Christian Aid is reaching out to those in need.

As we approach Christmas and remember that the child Jesus was himself a refugee, could you help Christian Aid respond to the immediate and long-term needs of today's refugees by giving to its Refugee Crisis Appeal? Your donations could buy sleeping bags, food, water, baby kits, and also improve conditions in reception centres.

Christian Aid asks for donations of money rather than clothes or other goods, because it helps people more quickly, is more cost-effective, avoids damaging local economies and makes sure people get what they need most.

To donate go to www.christianaid.org/refugees or send a cheque marked 'Refugees' to Christian Aid, 35 Lower Marsh, London, SE1 7RL.
